

# T H E X3 M

BMW X3 M COMPETITION  
BMW X3 M40i

There's a bond  
between the road, the vehicle and the driver.  
The promise of an unrivalled  
experience of performance.  
Transforming taste into a statement.  
Unique. Outstanding. Real.

Born on the racetrack and driven by the  
uncompromising will to win.  
Fuelled by the art of engineering  
and electrified by the future.  
Sustained by expressive style and  
rewarding luxury. Power, pushed to the limit  
and controlled to the max.  
It is the ultimate homage to the driver.

This is the peak of driving.  
This is a bold statement of sovereignty.  
This is a celebration of taste.  
This is driver and machine as one.

This is BMW M.  
The most powerful letter in the world.  
The ultimate BMW.

Fuel consumption in l/100 km (combined): 8,7-9,5

CO<sub>2</sub> emissions in g/km (combined): 199-217

Official data for fuel consumption and CO<sub>2</sub> emissions were determined in accordance with the prescribed measurement procedure and correspond to European Regulation (EC) 715/2007 in the applicable version. In the event of ranges, data determined as per WLTP takes into account any optional equipment (available on the German market in this case). For vehicles that have been newly type approved since 1 January 2021, only the official data according to WLTP exist. For more information about NEDC and WLTP measuring procedures visit [www.bmw.com/wltp](http://www.bmw.com/wltp)

The models illustrated in this medium show the equipment and configuration options (standard and optional) for vehicles produced by BMW AG for the German market. Alterations in standard and optional equipment and the configurations available for the different models, as described in this app, may occur after 04/30/2021, the editorial deadline for this app, or according to the specific requirements of other member states of the European Union. Your local BMW Partner is available to provide further details. Subject to change in design and equipment.

Of course, each vehicle is designed for economical recycling after its long-running life. You can find more information regarding your end-of-life vehicle on our website [www.bmw.de/recycling](http://www.bmw.de/recycling)
